# MILLAH MURRAH TRIGGER T308

**M** MATERNAL

 CALVING EASE

Trigger is the \$180,000 2nd high seller from the 2023 Millah Murrah bull sale, and their highest selling yearling bull ever. The full sister to Trigger's dam produced the previous record priced Millah Murrah yearling bull, when Rolls Royce fetched \$110,000 in 2021.

Trigger's pedigree carries most of the best Antipodean Angus bloodlines from the past thirty years. Behind Quartz, Kruse Time, Klooney & Hector, feature Ythanbrae Henry VIII & Lawsons Dinky Di.

A frame 6.3 youngster, with superb joint angle and supple gait, Trigger simply glides across the paddock. He displays beautiful foot and leg structure, along with perfect conformation of the reproductive anatomy. Trigger is so long and deep, carrying extraordinary bulging, soft flesh over the loin, right down through the flank, into the twist and lower ham. Expect his daughters to be superb.

# TRIO UTOPIA U101

**B** BALANCED

 CALVING EASE

 GROWTH

 FINISHING

High selling young gun from the 2024 Spring Trio Angus sale who immaculately blends phenotype, impeccable structure with a scintillating data profile.

His maternal side is littered with Australian gold, featuring the deep seeded pedigree of Ardrossan Holbrook N239, back to Ardrossan Holbrook H318 & Ardrossan Wilcoola K30. His sire, R18, is without question one of the pick Baldrige Command sons ever produced in Australia.

Utopia is long and clean fronted with a smooth shoulder. His topline strength and soft depth of flank flow seamlessly into a meat packed hindquarter that oozes dimension and shape from every angle. Structurally flawless; expressing ideal leg angle with excellent claw and heel constitution, lending to a long smooth stride and agile gait while on the move! Utopia's sound structural constitution is backed up with top 14%, top 15%, and top 20% claw, heel and leg angle EBVs respectively.

Top selling \$65,000 sire at the 2023 Dunoon Angus autumn sale purchased by Ben Nevis Angus. Sunstone S378 combines exquisite length, loin strength and softness in a structurally sound package. Super placid in nature, S378 exhibits all the essential qualities of the elite modern-day Angus animal. A pedigree littered with Angus gold, sired by the highly revered \$140,000 Dunoon Prime Minister P758, combined with the renowned Lawsons Evident H6201 on his maternal side.

Admire Sunstone's ultimate EBV data set, he is just so balanced. Now take a look at the docility, carcass and structural data! There are very few bulls who can match Sunstone's combination of phenotype, structural integrity and data spread.

S378 is the next logical step for breeders to follow on from the hugely successful Landfall New Ground N90 and Sydgen Enhance.

Craftsmanship, Legacy and Innovation

Lucchese is the Heir Apparent, prepared to assume the throne from his legendary sire Patriarch.

In a word, Additive. Added performance, added end product, added maternal and \$Maternal, added phenotype and added docility. The maternal side of his pedigree brings absolutely everything Gartner-De-nowh and the GDAR prefix imply in terms of form and function – They are the right kind.

Lucchese stands on a big sound foot for a calving ease bull with added bone and substance. A nice patterned bull that is easy to look at and won't sacrifice shape density and base width. His docility is second to none.
