K C F BENNETT LEGACY

B BALANCED

CALVING EASE

GROWTH

FINISHING

The record highest selling individual ever at the famed Knoll Crest Farms, selling to ABS for US \$240,000 in the recent K C F Spring sale.

A heavily muscled, calving ease bull with impeccable performance and end product EPDs. Master of his contemporary group posting his own record of WW, YW, IMF and REAR.

His superb mother, now donor, made Pathfinder with 3 @ 105 and has bred first service AI each year with a 362 day calving interval. You will like this great footed, great structured individual for his extra length, muscle and substance.

Legacy is a well rounded individual, you can see why he commanded such a high price. He is a strong headed, clean fronted young sire with added top-line strength and good dimension throughout.

DUNOON VERDICT V025

B BALANCED

 CALVING EASE

 GROWTH

 FINISHING

One of the most elite and versatile sons of Signature produced in Australia, Verdict combines outstanding phenotype with unmatched genetic depth. His extreme calving ease is underpinned by elite EBV performance, including +10.1 CED (top 2%), low birth weight and short gestation length making him an exceptional option for heifer programs without compromising growth.

Verdict's genetic profile is further strengthened by outstanding fertility and carcass credentials, highlighted by top 5% Days to Calving, top 1% Scrotal Size, +13.8 EMA (top 3%), and +5.9 IMF (top 3%). Backed by a \$A+L of \$475 (top 1%), he offers progressive Angus breeders a rare combination of calving ease, profitability, and high-end finishing performance.

TRIO UTOPIA U101

B BALANCED

 CALVING EASE

 GROWTH

 FINISHING

High selling young gun from the 2024 Spring Trio Angus sale who immaculately blends phenotype, impeccable structure with a scintillating data profile.

His maternal side is littered with Australian gold, featuring the deep seeded pedigree of Ardrossan Holbrook N239, back to Ardrossan Holbrook H318 & Ardrossan Wilcoola K30. His sire, R18, is without question one of the pick Baldrige Command sons ever produced in Australia.

Utopia is long and clean fronted with a smooth shoulder. His topline strength and soft depth of flank flow seamlessly into a meat packed hindquarter that oozes dimension and shape from every angle. Structurally flawless; expressing ideal leg angle with excellent claw and heel constitution, lending to a long smooth stride and agile gait while on the move! Utopia's sound structural constitution is backed up with top 20%, top 29%, and top 17% claw, heel and leg angle EBVs respectively.

MILLAH MURRAH TRIGGER T308

MATERNAL

CALVING EASE

Trigger is the \$180,000 2nd high seller from the 2023 Millah Murrah bull sale, and their highest selling yearling bull ever. The full sister to Trigger's dam produced the previous record priced Millah Murrah yearling bull, when Rolls Royce fetched \$110,000 in 2021.

Trigger's pedigree carries most of the best Antipodean Angus bloodlines from the past thirty years. Behind Quartz, Kruse Time, Klooney & Hector, feature Ythanbrae Henry VIII & Lawsons Dinky Di.

A mature frame of 6.1, with superb joint angle and supple gait, Trigger simply glides across the paddock. He displays beautiful foot and leg structure, along with perfect conformation of the reproductive anatomy. Trigger is so long and deep, carrying extraordinary bulging, soft flesh over the loin, right down through the flank, into the twist and lower ham. Expect his daughters to be superb.

MILLAH MURRAH VON STONKER V431

B BALANCED

CALVING EASE

FINISHING

Adding weight to your weaners will be a walk in the park using one of the THICKEST sires to emerge from Millah Murrah in recent years. Von Stonker by name, an absolute stonker by nature! Packed with red meat and oozing softness, you have to admire his added mass and muscle

Son of the famous, number #1 Angus registration sire Woodhill Comstock, V431 builds on all of his sires' famous qualities with added frame and scale

His dam, MM P244, is arguably the most powerful framed Kruse Time K400 daughter to emerge at Millah Murrah, and herself descends from the great Klooney K42

A sound calving ease option with low birth and adequate growth, coupled with +21 milk, +11.4 EMA and +3.2 IMF figures makes Von Stonker a great allrounder!

RC LUCCHESI L101

B BALANCED

CALVING EASE

GROWTH

Craftsmanship, Legacy and Innovation

Lucchese is the Heir Apparent, prepared to assume the throne from his legendary sire Patriarch.

In a word, Additive. Added performance, added end product, added maternal and \$Maternal, added phenotype and added docility. The maternal side of his pedigree brings absolutely everything Gartner-Denowh and the GDAR prefix imply in terms of form and function – They are the right kind.

Lucchese stands on a big sound foot for a calving ease bull with added bone and substance. A nice patterned bull that is easy to look at and won't sacrifice shape density and base width. His docility is second to none.

DUNOON SUNSTONE S378

B BALANCED

CALVING EASE

GROWTH

FINISHING

Top selling \$65,000 sire at the 2023 Dunoon Angus autumn sale purchased by Ben Nevis Angus. Sunstone S378 combines exquisite length, loin strength and softness in a structurally sound package. Super placid in nature, S378 exhibits all the essential qualities of the elite modern-day Angus animal. A pedigree littered with Angus gold, sired by the highly revered \$140,000 Dunoon Prime Minister P758, combined with the renowned Lawsons Evident H6201 on his maternal side.

Admire Sunstone's ultimate EBV data set, he is just so balanced. Now take a look at the docility, carcass and structural data! There are very few bulls who can match Sunstone's combination of phenotype, structural integrity and data spread.

S378 is the next logical step for breeders to follow on from the hugely successful Landfall New Ground N90 and Sydgen Enhance.

SYDGEN EMPIRE 3715

B BALANCED

CALVING EASE

GROWTH

The lead-off and US\$90,000 top-selling bull from the 2024 Sydenstricker Genetics sale.

Without question, the most anticipated young sire to emerge from the SydGen program in many years, and follows on from the enormous success of SydGen Enhance in Australia. Sound footed with an excellent disposition, Empire displays all the foundational qualities of an elite young Angus sire

His sire, URF Alpha G138, was renowned for exceptional foot quality in the USA, along with breed-leading growth and carcass performance and muscle to boot.

Empire's EBVs blend a strong BW to 600D spread of +4.2 to +144 with strong milk, carcass weight and EMA figures. Top 5% for all Angus Australia indexes.

LT ANCHOR 4031

B BALANCED

CALVING EASE

GROWTH

A calving ease sire with the genetic reach to correct scrotal, heifer pregnancy, foot structure, and PAP while delivering elite Maternal value, he offers the kind of multi-trait advantage that moves seedstock programs forward.

His dam line has rapidly emerged as one of the most valuable and widely recognized young donor lines in the Angus breed, validated when a flush out of his dam topped the 2026 Foundation Angus Sale at \$72,500, cementing her status as a cornerstone female.

Standing on exceptional feet and structural integrity, he brings the masculinity, body, flesh, and thickness that define a young herd sire built for long-term influence, backed by Top 1% SC and Maternal, Top 3% for Milk and Claw, Top 4% CED, Top 5% for Angle and Top 10% for HP, CW and RE

A mid-5-frame, wide-based, wide-bodied, thick-ended, heavy-muscled herd bull with 1500lbs yearling performance and a large ribeye, built with the masculinity, crest, depth, and rib shape that flat dominates a pen.

He brings double-digit calving ease, Top 10% for growth, better-than-breed DMI, plenty of SC, Top 15% HP, sensible Milk, strong Teat/Udder, Top 25% for DOC, solid feet, +1.0 Marb and a massive +1.70 REA, pushing him into the Top 5% for both \$Maternal and \$Combined. Backed by the proven Poss Blueblood dam line a maker of superior herd sires.

Record priced lead off Lot 1 of the R. A. Brown Ranch - Ranchers Rendezvous 3.0.

Extraordinary in how he layers together functional maternal traits with performance and end-product value, and reduced intake.

Uniqute in his makeup, he's a chart topper for udder quality, Longevity, and carcass value - his Zoetis predictions suggest he's top 6% for fertility
